Children Message

Let's Have a Party

- Theme:** Let's Have a Party
Object: Birthday Items – (give to children after message)
Scripture Luke 15:24 “For this son of mine was dead and is alive again; he was lost and is found.’ So they began to celebrate.” (NIV)

Good morning, boys and girls. How many of you like a good party? (*Let them answer*) Do you remember the last party that you went to? (*Let them answer*) I brought along some things that I thought might help us think about a party. (*Pass out the party toys*) Wouldn't that be an exciting way to have a party? (*Let them answer*). When do we have parties? (*Let them answer*) That's right, birthdays and other times when we want to celebrate something that is really happy or important.

Jesus told a story about a father who had two sons. The older son was always good to his father and worked hard on their farm. But the younger son did not like to work and asked for his share of the family's money, then ran away to have a good time. It wasn't too long until he had spent all of the money, and he was broke. He got a job taking care of some pigs, but he also had to live with the pigs. Finally, one day, he made up his mind to go back and ask his father to forgive him. So he went back, but before he could say anything to his father about how sorry he was, his father ran out to greet him and tell him how much he had missed him. Finally, the father had a big party to celebrate his son's happy return.

Jesus told this story to show us how glad God is when we change our minds, and come back to tell him how sorry we are for our sins. God is so happy to have us back that it is almost like a party in heaven. God loves us a lot, and he misses us when we leave him to go off in another direction. But God is so happy when we come back, that it is like a very happy and wonderful party. It isn't easy to come back to God. Sometimes we are afraid, or we think that God doesn't want us when we have been bad, but this isn't true. God always loves us and is really pleased when we change our minds and come back to him. Remember, going back to God is like being a part of a party in heaven. We don't know whether there will be any party items, but we do know we will have a wonderful time there!

Prayer: Dear Jesus, we are sorry for our sin. Thank you for calling us back to you. In Jesus name. Amen.
