

Who is God?

God is the creator of all things including men. The Bible tells us that God always exists. He is without a beginning and without end. He is almighty, all powerful and all knowing. He is eternal. He is love and He is good. He is still in control of the universe. He provides for all living things. He is the Father of all people. God is present with us through faith in His Son, Jesus, through the Holy Spirit, through His Word and through the Sacraments.

Is there really heaven and hell?

The Bible tells us that there is heaven and hell. Heaven is where God live. Heaven is a beautiful place where there is no sickness, no death and no separation from God. In heaven there is no sin and no evil. Heaven is the place where all the Christians or people who believe in Jesus will live forever and ever.

Hell is a place God prepared for the devil and his evil angels. The Bible tells us that hell is a place of tormented and great suffering. The people who do not trust Jesus Christ to be their Savior will go to hell when they die. Hell is a

place God do not want people to go because it is a bad place.

What is Christianity?

Christianity is a belief and a teaching that Jesus Christ is the Savior of the world. Christianity teaches that Jesus is the Savior of all people. Jesus is God's Son. He is true man and true God. He was sent to the world to save the sins of men and to reconcile men to God. Christianity teaches that two thousand years ago, Jesus Christ has died on the cross for the sins of all people. That He has overcome sin, death and the power of the devil for all men. And that whoever believes in Him will have eternal life.

Why should I believe the Christian God?

All people should believe in the God of the Christians because the Bible tells us that only the true God's Son, Jesus Christ, can men be saved from their sins and eternal death. God love people so much that He sent His Son to be the Savior of the world. God does not want anyone to be condemned to hell. He wants all people to be saved and to receive His blessings of eternal life.

Why should I waste my time to go to church?

Going to Church is not a wasting time. God's people love to worship their Lord and Savior. You are going to church to hear God's Word and to worship His name. Going to church is to be with God. The Bible tells us that God created the world in six days and on the seventh day He rested. He also wants us to work six day and to rest on the seventh day to worship Him and to hear His Word how He loves us and how He has saved us in His Son, Jesus Christ. Because God is a God of love, our worship of Him is also our of love for Him. So worship is a rejoicing and a gladness of the heart to God.

What must I do to receive eternal life?

Accept the Lord Jesus Christ as your Savior. "For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life." John 3:16
