It's A Miracle

The Journey...

Fung and Kalia continue sharing and preaching about the Lord's mission work in Southeast among the Hmong people to different congregations every week. Please pray for safe travels and fruitful partnerships. By the grace of God, they have raised 50% of their budgeted fund for deployment.

The Lo family welcomes the opportunity to come to your church or small group to share about the Lord's mission work in Southeast Asia. You can call or email Fung at:

While Fung was in Thailand getting ready for the Hmong Pastors to arrive for their theological training, he learned that one of the pastors' daughters had an accident. The driver of a twelve-wheeler semi-truck lost control of the truck and ran over her while she was driving her motorcycle from work. Typically, when this happens the person would be torn to pieces and die right on the spot. However, it was truly a miracle that she survived the accident. Fung visited her in the hospital and prayed for her. He told her that God was the one protecting her during the accident. For the word of the Lord says, *"See, I have engraved you on the palms of my hands; your walls are ever before me."* (Isaiah 49:16) She has undergone a couple of major surgeries. Currently, she is recovering but still in a lot of pain. She is in need of your prayers for healing and also for her family. Pray that they will *"trust in the Lord with all [their hearts] and lean not on [their] own understanding"* (Proverbs 3:5).
