Prayer Requests:

1. Pray for reaching 100% of our fundraising goal. Thus far, we have raised only 61% and we have only two months left before our 2018-2019 fiscal year-ends on July 30th. We need your prayers and financial support.
2. Pray for safe and successful furlough for our family in June and July.
3. Thank the Lord for:
 - A blessed visit with Dr. John Mehl.
 - A safe and fruitful trip for Fung in a close country.
 - A productive and fruitful fiscal year. We sent out 600 annual ministry reports to our supporters. If you did not get one, and would like to receive one, please let us know. Together with our mission partners, 56 individuals were baptized.

The Harvest is Plentiful

In Luke 10, as Jesus is sending the disciples out to proclaim the Good News, He says to them, *"The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into His harvest field. Go! I am sending you out like lambs among wolves"* (Luke 10:2 & 3). Proclaiming the Gospel in closed countries can be like lambs among the wolves for us foreign missionaries. Recently, one of our mission churches in a closed country asked if we could assist them in the installation of a Deacon to pastor them. Since the congregation is the first of our mission churches in their country that ever wanted to join our Lutheran church, we accepted the invitation. Pastor Supan and Fung secretly traveled to this closed country. Pastor Supan did the installation. *Here is a link to a short video of the installation:* <https://vimeo.com/341051246>. The password to view the video: **050607**. It was a blessing for the members and for their Deacon. We give thanks to the Lord for sending one more worker into His harvest field. The harvest is truly plentiful in this closed country, and the Lord is sending more workers into His harvest field through all of us. We would like to ask for your partnership to help provide the necessary funds to assist the Lords' workers so that they can do the Lord's work that you and I cannot. We look forward to sharing with you more about the Lord's plans of sending more workers into His harvest field in the closed countries that we are affiliating with in Southeast Asia.

A Visit from MCN's Executive Director

It was a blessing to have Rev. Dr. John Mehl, Executive Director of MCN, visited us in May. During his visit, he got to see some of our ministries in Chiang Mai and Chiang Rai provinces. He instructed the Hmong pastors on the Mission of God. His leadership and mission wisdom encouraged us to continue to work even harder on sharing the Gospel in Southeast Asia.
