## He Is Risen!

March is a blessed month because of Lenten season and how the Lord powerfully used us in His mission of seeking and saving the lost at all cost. We traveled many miles to share the Lord's ministry in Southeast Asia as we visit with many churches and individuals. Along the way, we also met many strangers with whom we got to witness the word of God. One evening, Fung met a young man at Office Max while making copies of our ministry's documents for our display. The young man asked Fung, "Wow, you are making so many copies. What are they for?" Fung replied, "I am getting ready for a conference during the weekend. What are you doing?" The man answered, "I am an insurance agent." Fung reacted, "Wow, that is great! I am also an insurance agent. In fact, I am an Eternal Life Insurance Agent." "What company are you working for?" Asked the man. "The insurance company I am working for is called Heavenly Kingdom. We provide only a whole life insurance policy. The premium is free!" Answered Fung. "Wow! How could it be possible that the premium is free? Asked the man. Fung answered, "It is free because Jesus paid it all on the cross with His blood." "Wow! I want to know more about this insurance company. Can I have your phone number?" Asked the man. Fung gave him his phone number.

During the Lenten season, we get to read from the Bible about Jesus' missionary journey on earth to seek and save us sinners. After He had risen to life, Jesus met with the disciples and entrusted to them the Great Commission: "*Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit,<sup>20</sup> and teaching them to obey everything I have commanded you. And surely, I am with you always, to the very end of the age*" (Matthew 28:19-20).

In our confessions and baptisms, we became disciples of Christ. Therefore, we are called to continue to engage in the Great Commission. It is such a joy to be used by the Lord in His Great Commission every day with strangers and with the people we are called to serve, like the Hmong in Southeast Asia.
