Sharing the Lord's Work

The Word of God Is Living and Active

During the month of November, time went so fast with many things done and gone. We visited many supporters and churches in Michigan, Nebraska, and Minnesota. It is always a joy to share with our supporters what the Lord is doing in Southeast Asia among the Hmong, and how He transformed sinners into saints. One of our Hmong evangelists shared with us that last month he went to a Hmong village to witness the Gospel. He met a Hmong woman by the name of "Pa", who did not believe Jesus, even though her husband is a Christian. Pa hated Christianity so much that she cut her husband's Bible into pieces with a knife. She wanted to stop her husband from believing Jesus. After couple hours of sharing the Good News of Jesus Christ to her, by the power of the Holy Spirit working through the word, Pa confessed her sins and became a believer. The evangelist baptized Pa and gave her a new Bible. Pa's husband could not believe that she would accept Christ as her savior through our evangelist's witnessing effort. Many people had witnessed to Pa in the past, but she did not accept Jesus at all. We give thanks to the Holy Spirit working through the Word of God in the heart of this woman. *"For the word of God is living and active, sharper than any two-edged sword, piercing to the division of soul and of spirit, of joints and of marrow, and discerning the thoughts and intentions of the heart"* (Hebrews 4:12). Even though Pa tried to use a knife to cut the Bible into pieces, but she did not know that the Word of God is shaper than any two-edged sword. The word of God is living and active. It discerned Pa's thoughts, piercing heart and gave her faith to believe in Jesus Christ as her savior. We are thankful that God sent one of our evangelists to tell her the good news. Now, all her household members are followers of Jesus. Please keep Pa and her family in your prayers. Here is the link to a short video: <https://vimeo.com/655736988>.
